Dear Parents and Carers,

I can't believe we are at the end of Term 5 already!

Term 6 will be very busy with lots of different events going on. Please ensure you read the newsletter weekly and check your Arbor messages so you don't miss any important dates and notices.

Jodie Hurrell

## Class Photos

We have our photographers in to take class photos on Tuesday 3rd June. Please ensure all children are in school uniform. If they have PE or Forest School that day, they should bring their FS clothes / PE kits to change into. If you do not wish your child to be in the photo, please ensure you let the office know.

## Yr3 Reading Cafe

We are very much looking forward to the Y3 Reading Café on Wednesday 4th June. It is not too late to sign up to join us. The sign-up sheet is outside the office.

## Sun Cream

A reminder for next term, that during the sunny weather children should have sun cream applied before coming to school.

## PTA Disco

Thank you so much to our PTA who organised the school disco for us on Wednesday. Thank you also to our DJ, Paul Viney who provided his services free of charge! The children had a wonderful time and we will let you know very soon how much money this event raised.

## Catch up with Red Class

Year 1 had a great day on Wednesday creating their robots for their DT project which linked to their English book this term "The Robot and the Bluebird" by David Lucas. The children experimented with different materials and ways to stick their models together. The results were amazing and they went to their new homes on Thursday. As you can see the classroom was well resourced! Thank you to Mrs Harper, Miss Harper and Miss Seal for their amazing tidying up and Hoovering skills.

### Brian Moses Visit

What a wonderful afternoon we had in school on Wednesday with a visit from the poet, Brian Moses, who performed some of his poetry to the school. This was very inspirational and the children have already written some wonderful poems following on from this. Thank you so much to Mrs Beales for organising this.

Violet Class each wrote their own version of Brian's poem 'Ten tired teachers...' and here is one of them by Abigail Welbrock

Ten tired teachers sat in the staffroom at lunchtime, one fell in the microwave then there were nine.

Nine tired teachers muddled up the date, one thought it was Tuesday then there were eight.

Eight tired teachers dreaming of holiday - oh heaven! one fell off their chair then there were seven.

Seven tired teachers looking at their pics, one ran out of battery then there were six.

Six tired teachers dancing and having a jive, one fell over and broke his leg then there were five.

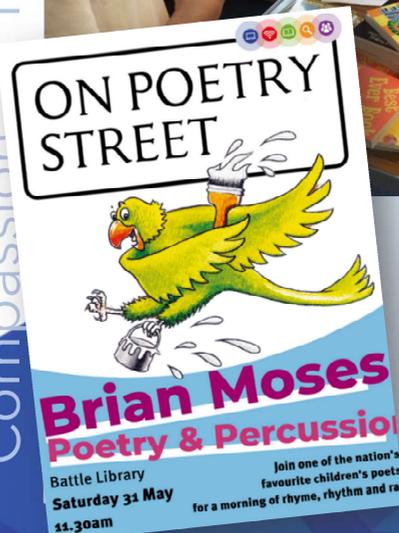

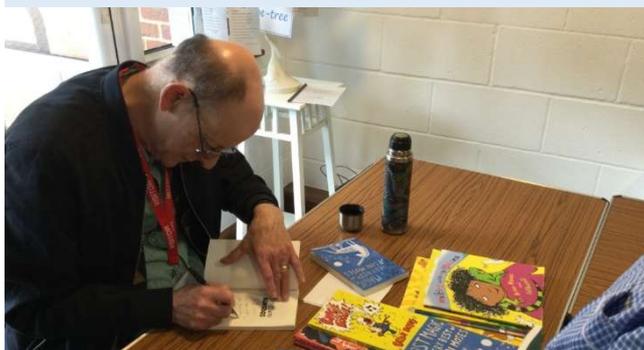

Five tired teachers heard a great big roar, A lion ate one, licked his lips then there were four.

Four tired teachers longing for the sea, one changed in the bathroom then there were three.

Three tired teachers forgot everything they knew, one, confused, lost her head then there were two.

Two tired teachers going for a jogging run, one collapsed in the mud then there was one.

One tired teacher caught red-handed eating a bun, the headteacher fired her and then there were none.

You can catch Brian at Battle Library on Saturday 31st May at 11:30 am.

## Catch up with Rainbow Class

Rainbows had fun last week when they had a bike day. They had a chance to ride around the playground and learnt about the need to wear cycle helmets as well as some important observational skills to help ensure their safety. Once the riding was done they then spent some time cleaning their bikes.

It was a great day and the children enjoyed being out in the fresh air. Thanks to our helpers from year 6 too !

### Online Parent Workshops

These workshops are aimed at supporting young people and parents/carers of young people in secondary school.

#### Introduction To Understanding Autism

Tuesday 17th June 2025 18:00–20:00pm

\*Workshop timings change from term to term

Do you have questions about Autism? Maybe your child has received a diagnosis. Would you like to come and meet with other parents and carers and learn about ways to support your child?

You are invited to a workshop about understanding symptoms of Autism. We also discuss helpful strategies that you can use at home to help support your child.

If you would like to join, please scan the QR code or ctrl + click the link below or by entering the Meeting ID and Passcode within Teams:

Our workshops are held on Microsoft Teams. You can create an account for free. You will need access to the internet. If you have any questions please speak to your child's school. Currently, this workshop is only available to parents/carers of children attending an EWT/EST school. Please speak to your child's school or check our website for our list of schools. If you require materials in another language or have any other access needs then please email:

[EWTandESTenquiries@nelft.nhs.uk](mailto:EWTandESTenquiries@nelft.nhs.uk)

We look forward to meeting you.

"Although the workshop states it is for parents of pupils in Secondary schools, it is also suitable for parents with children in Primary school."

Thank you,  
 Mrs Poland
